**Owner and Operator of Raging Princess Productions – Lisa Viscuglia**

A classically trained violinist, Lisa attended Harvard University and studied with Fredy Ostrovsky of the Boston Symphony before moving to Las Vegas in 1979.

Over the years she has played with virtually every major performer that has appeared on the Las Vegas strip from Pavarotti to Plant and Page, Elton John to Sinatra.

In addition to her work in the Las Vegas celebrity showrooms, Lisa has also been an integral member of several popular Las Vegas bands and shows including the Country Fever Show, the Naked Martinis, Country Knights and currently, Killian's Angels.

Her television credits include the Tonight Show with Jay Leno, Billboard Awards, Andre Bocelli PBS Special, Country Music Awards, BET Awards, Merle Haggard HBO special, Prime Time Special and the Soul Train 25th Anniversary Special

In response to the increasing demand for live music in our growing city, Lisa established Raging Princess Productions to provide music services for her ever broadening client base. From solo harp to a 60 piece orchestra, whatever your special client requires, Raging Princess Productions can find the music that suits your needs.

Lisa currently is a member of the Spamalot orchestra and performs with local favorites, Killians Angels and Bella Rumore.
